Our corporate values of continuous learning and involvement ensure that we remain relevant to current issues. Our distinguishing touch is the *relaxed, friendly yet professional* demeanour.

# Services Audit

For many organizations, publishing audited accounts once a year is something they must do by law. At Edgeworth, we believe that the real value of the audit process goes far beyond legal requirements. Reporting standards, the audit exercise gives insights on the control environment and how well an organization is run. Knowing these control systems exist and are working properly is reassuring to both management and shareholders as they are not involved in the day to day running of the business.

We use audit software to ensure compliance with professional and regulatory

- Statutory audits
- Due diligence audits
- Project audits
- Forensic audit
- Special purpose audits

Contact David Maina: [david@edgeworthconsulting.co.ke](mailto:david@edgeworthconsulting.co.ke) for your audit enquiries.

We provide an **independent opinion** not only to fulfill statutory obligations but also to give assurance to management; shareholders and other stakeholders.
